

Major Accomplishments of the Chartley Homeowners Association

Since inception in 2002, we met regularly with the police at Franklin Precinct and worked together with them to develop a strong "Citizens on Patrol" (COP) program. Volunteers for the program have been trained to keep their eyes and ears open and report any concerns to keep our streets safe.

Awarded two \$1000.00 scholarships each year for students who live in our community.

Instituted National Night Out, Clean Streams, and neighborhood cleanup events.

Our zoning committee

- worked closely with the county officials and code enforcement to be sure our streets and homes are compliant with regulations. For several years, code enforcement sent staff throughout the community inspecting each property and informed residents when something needed to be repaired.

- had many of our streets recurbed and paved and are slated for more to be completed during this fiscal year.

- added new lights to Walgrove Road and Glyndon Road and are currently looking to get a couple on Townleigh Road.

Your association is always working for **you!!**
